

PRINCIPAL'S PERSPECTIVE

Monica Filgo
Principal

Happy Holidays to all Argosy Collegiate scholars, families, and community members! Thank you for your ongoing partnership this school year as we continue to build a culture of academic excellence with the ultimate goal of preparing our scholars for college, career, and life. The New Year is traditionally a time of personal reflection when we look back at our successes and opportunities for growth. During this time away from school, I encourage scholars and families to communicate about these reflections and collaborate to create goals for the future, drawing connections to our DREAM Values that serve as an incredible foundation for the journey ahead (Determination, Respect, Excellence, Altruism, and Maturity). I wish you all a warm and peaceful holiday, and look forward to welcoming scholars back to school in 2022!

Kristen Lima
High School Assistant Principal

As we head into the holidays, I want to express my appreciation to all stakeholders for being part of our community. This has been a uniquely challenging year, but rather than give up the fight, our scholars have dug back into the work and our teachers have creatively tackled changes with creativity and grit. Thank you for helping to make this possible. When we work together, the Argosy Collegiate community can achieve anything we set our minds to. Thank you for your support of and commitment to our mission to create a culture of excellence. Have a wonderful holiday season and a happy and healthy New Year!

Christian Balasco

Middle School Assistant Principal

At Argosy Collegiate, we know our community is at its strongest when we -- scholars, staff, and families, alike -- work together in order to progress towards our common goal: a culture of academic excellence which catapults scholars forward on their journey to and through college. While this year has had its fair share of unique challenges which have required members of our community to “dig deeper” and to persevere in new ways, each of these challenges has been accompanied by countless moments of joy, triumph, and growth, in and out of the classroom. Scholars, thank you for rising to the occasion each and every day, working hard to understand what it means to live out the Argosy Collegiate DREAM Values. Families, thank you for your collaboration as we work together to support your scholars’ academic journeys. I hope you enjoy a peaceful and relaxing holiday season and I look forward to seeing you in 2022!
